The above petition has been approved. We have sent the original visa petition to the Department of State National Visa Center (NVC) 32 Rochester Avenue, Portsmouth, NH 03801-2909. NVC processes all approved immigrant visa petitions that need consular action. Also determine which consular post is the appropriate consulate to complete visa processing. NVC will then forward the approved petition to that consulate.

The NVC will contact the person for whom you are petitioning (beneficiary) concerning further immigrant visa processing steps.

You should allow a minimum of 30 days for Department of State processing before contacting the NVC. If you have not received any correspondence from the NVC within 30 days, you may contact the NVC by e-mail at NVCINQUIRY@state.gov. You will need to enter the USCIS receipt number from this approval notice in the subject line. In order to receive information about your petition, you will need to include the Petitioner's name and date of birth, and the Applicant's name and date of birth, in the body of the e-mail.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

THIS FORM IS NOT A VISA NOR MAY IT BE USED IN PLACE OF A VISA.

NOTICE: Although this application/petition has been approved, USCIS and the U.S. Department of Homeland Security reserve the right to verify the information submitted in this application, petition and/or supporting documentation to ensure conformity with applicable laws, rules, regulations, and other authorities. Methods used for verifying information may include, but are not limited to, the review of public information and records, contact by correspondence, the internet, or telephone, and site inspections of businesses and residences. Information obtained during the course of verification will be used to determine whether revocation, rescission, and/or removal proceedings are appropriate. Applicants, petitioners, and representatives of record will be provided an opportunity to address derogatory information before any formal proceeding is initiated.

Please see the additional information on the back. You will be notified separately about any other cases you filed.

Dear Principal Applicant:

The immigrant visa petition recently filed on your behalf is now eligible for further processing at the National Visa Center (NVC). You will need the following identification numbers to carry out the next steps in the immigration process:

Your NVC Case Number: CDJ [REDACTED]
Your Invoice I.D. Number: [REDACTED] 2
Your Beneficiary I.D. Number: [REDACTED] 8

Keep this letter in a safe place.

You will need the identification numbers again during the immigration process.

The first stage of visa processing is to **establish communication with the NVC** by registering an agent and your agent's contact information with the NVC. Your agent is a person you choose to receive communications from the NVC on your behalf. You may act as your own agent, or you may choose your petitioner, a family member, a friend, an attorney, an immigrant assistance professional, or any other person you trust to represent you.

If you decide to register another person as your agent, the NVC strongly recommends choosing a person with e-mail capability and a postal mailing address in the U.S.A. because postal mail delivery can be unreliable in some parts of the world. If you act as your own agent the NVC recommends e-mail as the quickest and most efficient form of communication.

NVC Case Number: CDJ2012709109

Information about the DS-3032

Choice of Agent and Address Form

Unless an adjustment of status in the United States is requested, after approving an immigrant visa petition filed in the United States, the U.S. Citizenship and Immigration Service (USCIS), forwards it to the National Visa Center (NVC) where the State Department's immigrant visa process begins. If the petition is for a visa applicant whose priority date is not likely to be reached in the next year, the petition will be stored at the NVC until that priority date is reached.

When there is an immediate visa available or likely to be available within the next nine months, NVC will send a letter enclosing the Choice of Agent and Address Form (DS-3032) to all of the applicants with a few exceptions. The DS-3032 will not be sent to the applicant when an attorney represents the applicant (and the USCIS file contains the appropriate designation that an attorney has been retained) or when the visa applicant will be the adopted child of the petitioner.

The DS-3032 permits the applicant to name an agent to receive correspondence from NVC and requires applicants still interested in immigrating to tell NVC where to send mail about their visa request. The letter tells the applicant that they may choose someone, including the petitioner or a non-profit organization, to be their agent or they may elect to continue to receive the correspondence themselves. The applicant must complete and sign the DS-3032 and return it to the NVC before processing can continue. Given the difficulties often encountered with international mail, we encourage applicants to seek an agent with a U.S. postal address.

So that you, as the petitioner, can understand any questions that the applicant may have about the DS-3032, we have enclosed a copy of it for you. While only the applicant can sign the DS-3032, you may send or fax a copy of the enclosed form to the applicant, if you learn that he or she has not received it. The applicant can then complete, sign, and return the DS-3032 to NVC. The mailing address for the DS-3032 is:

1. If the applicant intends to adjust status with the U.S. Citizenship and Immigration Services (USCIS), please contact the NVC before making any payments or taking further action.
2. If the NVC does not receive communication from any representative of an immigrant visa case for a period of one year the termination process begins. All documents and fees then expire and must be resubmitted to resume the immigration process.
