Re:

His letter is to inform you that the spanish is a member of the Spanish Pawtucket Rhode Island Congregation of Jehovah's Witnesses and has been associated with this congregation since September 2016. According to our records, was baptized on July 1, 1971. As of the date of this letter, the same as is in good standing.

The beliefs of Jehovah's Witnesses concerning the bearing of arms are a matter of public and historic record and are well known. Our beliefs are fully discussed in *The Watchtower* of May 1, 1996, pages 15-20. We are enclosing a copy of that article for your information and reference.

Thank you for your attention in this matter.

Very truly yours,

(Coordinator of the body of elders)
