

CITIZENSHIP MATTERS

Our work at Project Citizenship lies at the intersection of social justice, democracy building, and economic vitality. Citizenship is patriotism of the highest order. By extending the benefits of citizenship to permanent residents, we increase economic stability, healthcare access, educational opportunities, and civic engagement in our communities. This inclusive participation is essential for the health of our democracy.

THE NEED

Our foreign-born population drives and invigorates our local economies; holds over half the Ph.D.'s in the state; comprises **17% of our workforce**; and contributes as students, workers, taxpayers, and home- and business-owners. **90% of eligible immigrants do not apply** for citizenship, due to lack of knowledge, the expense, a confusing naturalization process, and a host of other reasons.

OUR MISSION

Project Citizenship is a nonprofit agency that seeks to increase the naturalization rate in Massachusetts and beyond. We provide **free**, high-quality legal services to eligible immigrants to help them become U.S. citizens.

WHO WE ARE

Project Citizenship works collaboratively with **community-based partners** to help eligible, permanent residents overcome barriers to becoming U.S. citizens.

OUR MODEL

Project Citizenship relies heavily upon **trained volunteers** to provide cost efficient services to citizenship applicants. Project Citizenship has more than **1,130 active volunteers**: over **200 pro bono attorneys** and more than **250 law student volunteers** from Boston's area law schools.

OUR ROOTS

Project Citizenship began as the Greater Boston Citizenship Initiative, a collaboration of community partners in Massachusetts **seeking to increase naturalization rates in Massachusetts**. The Initiative was created by a committed group of immigrant, community-based, and direct service organizations to educate immigrants about the benefits of citizenship.

IMPACT

Since 2014, Project Citizenship has helped over 11,700 permanent residents submit their citizenship applications. **71% qualify for fee-waivers**, meaning they can submit their application for free!

JOIN THE EFFORT: DONATE, VOLUNTEER, OR BECOME A CLIENT TODAY!

We believe that citizenship has a transformative impact on the individual, family, community, and our nation as a whole.

Are you eligible to be a citizen? Call us at 617-694-5949 for more information!
