Sponsor Citizenship Day

Citizenship Day in Boston is the largest annual citizenship workshop in New England, **drawing over 400 citizenship applicants** and **nearly 250 community volunteers**, law students, and pro bono attorneys each year.

This annual event, hosted by Project Citizenship and the Mayor’s Office for Immigrant Advancement, promotes the importance of citizenship for the health and vitality of our city. During this **11th Annual Citizenship Day**, those who are eligible to apply for citizenship meet with trained volunteers to complete the complex citizenship application, the first major step in the process of becoming a U.S. citizen.

Since this event began in 2014, nearly 3,000 applicants have applied for citizenship - beginning their journey on Citizenship Day (or during Citizenship Month in 2020 and 2021). On average, we have served applicants from over 50 countries at this single-day event, and over the years, we have completed more than 2,000 fee waivers, providing financial support for low-income applicants. Our generous sponsors, dedicated staff, and talented volunteers make this event possible each year.

Will you join us for Citizenship Day in Boston 2025?

Sincerely,
Gail Breslow
Executive Director of Project Citizenship
